

cultivate

"Cultivate" is a bimonthly electronic publication of ASK Network USA that informs and encourages ASKers in the work of praying for the church, community and all the nations. It seeks to cultivate a deeper relationship with God and with one another.

Gathering - - Together

Ps. 50:5 (AMP) *"Gather together to Me My saints (those who have found grace in My sight), those who have made a covenant with Me by sacrifice."*

Matt. 18:20 (NLT) *"For where two or three gather together as my followers, I am there among them."*

Some years ago, Roberta's family planned and carried out a massive family reunion in New England. Relatives came from near and far.... what a great time we enjoyed together! And the anticipation was almost equally as fun. While we knew most of those were coming, to meet others in our family tree who our children were excited because they would get shared our DNA, if you will.

In a similar fashion, our excitement is building more and more as we look toward our Gathering here in Racine in September. Invitations have been sent out, and practical details are coming together. Some of our ASK "relatives" have already registered, others have not yet done so..... but we are all joining the stream of those the Lord is gathering together within this family of ASK.

What joy there will be in the Lord's presence as we come apart for 3 days of worshiping, fasting, meditating and ASKing of the Lord. We anticipate the sweet fellowship of each other's company, sharing our hearts, encouraging one another, laughing and perhaps crying together, and partaking of the wine and oil that the Spirit of God freely gives.

The reality is that as we gather, we are strengthening our family roots, and re-aligning ourselves with what brings us together in the first place - our love for Jesus, being in His Presence and growing in heart knowledge of Him through the work of the Spirit of God. So, consider this your personal invitation to gather with us to pray and partner together in the ministry and calling of ASK Network.

Walking together in His purposes,
Art and Roberta Rader

RECAP OF MISSISSIPPI GATHERING

The gathering began at the home of Dorothy Smith, Southeast Zone Leader. Art and Roberta Rader along with Lynne Bowman lead a time of prayer and meditation. Lynne opened the meeting with an invitation for each of the participants to ask questions regarding ASK Network USA.

To our surprise there were many questions that got answered after Lynne led us in Biblical meditation and prayer. We were so grateful to have the pastoral gift in operation with Art and Roberta during this meeting to guide and assist in emotional healing of many who attended. The love that God poured out on us caused walls to tumble and a spirit of forgiveness was experienced by many. As tears flowed, our hearts were knitted together.

On Saturday we met at the Hampton Inn with the Mississippi and Louisiana teams as well as other invited guests. We were welcomed by the Mayor of Richland, Mr. Pat Sullivan. He was extremely gracious to us and interested to hear about ASK Network and how it operates through prayer throughout the world. The Mayor gave us a list of prayer concerns and we spent time meditating scripture and praying in the scriptures.

As a result of our Mississippi Gathering several groups have started praying the Word following the ASK Network Biblical meditation method. We thank God that Richland, MS, has been changed forever.

Let us not give up meeting together as some are in the habit of doing
But let us encourage one another.”
