"Cultivate" is a bimonthly electronic publication of ASK Network USA that informs and encourages ASKers in the work of praying for the church, community and all the nations. It seeks to cultivate a deeper relationship with God and with one another.

Giving Thanks Unto Our God

As we approach the end of 2019 and look with godly anticipation to the year of our Lord 2020, we set our hearts on remembering and reflecting on the goodness and faithfulness of our wonderful God. An old hymn says it this way - "Now thank we all our God with heart and hands and voices, Who wondrous things hath done, in Whom His world rejoices; Who from our mother's arms hath blessed us on our way with countless gifts of love, and still is our today."

As individuals and families, we pause during this Advent Season and Christmas Season to thank our God for the magnitude of Who He is, and wonder of the Son Who was given for us. In addition, as partners in this ASK Network, we also stand together with grateful hearts before the Lord.

Thanking God... for all who faithfully cover us in prayer -- both those we know and those who pray in the hidden place. "I always thank my God for you..." **1 Corinthians 1:4a**

Thanking God... for the sweet times of gathering in ASK zones across the US where Biblical meditation, prophetic ASKing and refreshing have been released. **Acts 3:19**

Thanking God... for the national ASK Gathering in Racine that brought a renewed sense of family and called us back to our roots. **Psalms 1**

Thanking God... for expanding opportunities to gather on prayer calls and video connections that span state, national and international borders. **Acts 16:13**

Thanking God... for the joy, life and healing that comes from partnering together in prayer ... bound together by the Word and the Spirit to inform our ASKing ... wherever we gather. **Acts 16:13**

Thanking God... that He is the One who marks out a straight path for our feet and keeps us on the safe path so we don't get sidetracked. **Proverbs 4:26**

"Oh give thanks to the Lord for He is good! His faithful love endures forever!" **Psalms 118:1**

Update on DC Meeting by Anne Doggett

On November 2, 2019, it was such a delight to welcome Art and Roberta Rader, and Lynne Bowman to Washington, DC to help us convene like-minded praying women and men, interested in learning more about ASK Network and engaging in the work we do. We gathered leadership in the morning at one of our homes, heard a bit of history of our city, and then shared an overview of some of the issues we had been addressing in recent years. We meditated in 2 Kings 2:19-22, where Elisha heals the unfruitful water of the city. We sang the song “Deep Cries Out,” (©2010 Bethel Music), and its chorus: We’re stirring up deep, deep wells; we’re stirring up deep, deep waters... We then prayer walked to the Capitol building nearby, praying in our meditations, and once we got to an old spring that rests on Capitol property, we prophetically threw in some salt grains, asking God to heal our land.

At our afternoon meeting, we were thrilled to see 32 people (23 of whom were new to ASK) arrive to hear more about our prayer fellowship. We participated in a typical ASK gathering, which included worship, a teaching on meditation, engaging a scripture passage with a particular prayer target in mind, sharing feedback, then dividing into groups of 3-5 to pray. Our scripture was Ephesians 1:15-23, and our focus was the Church in our city. All this in two hours!

Those of us who have been doing ASK in DC for some years felt this visit was an infusion. We feel inspired and hopeful to seek the Lord for next steps beyond our monthly meeting, where attendance has typically been about 3-5 each time, though always poignant and rewarding. We were encouraged by the interest shown, and want to sustain the momentum that has been initiated by gathering new people around our ASK leadership. We are grateful!
