

cultivate

"Cultivate" is a bimonthly electronic publication of ASK Network USA that informs and encourages ASKers in the work of praying for the church, community and all the nations. It seeks to cultivate a deeper relationship with God and with one another.

BLESSING

The Lord said to Moses, "Tell Aaron and his sons. This is how you are to bless the Israelites....." Numbers 6:22

As we draw closer to gathering as the ASK Family in September, a word that has come to us is "blessing." A few years ago we came across a book entitled simply The Blessing. The author speaks of some elements of blessing which we have seen displayed many times in ASK Network.

"Meaningful touch" When we get together as the ASK family we love to greet one another with warm hugs and touches of comfort or encouragement that show our love and acceptance of each other and bring blessing to each other's heart.

"Spoken words" As we look ahead to this opportunity to gather once again, we will be able to bring blessings not only with the words we speak, but also with listening, affirming and praying for one another.

"Expressing high value" In the context of ASK gatherings large and small, we affirm one another as part of this family and confirm our place together in the Lord and at the table of ASKing.

"Active commitment" We intentionally look for practical ways to bless each other in our individual walks and in our Kingdom ministries. The true depth of our blessing upon each other is affirmed as we walk out our commitment to ASK of God together.

There's such joy in anticipating our **"Gathering ~ Together"** in September when we can be blessed and be a blessing to one another! In the meantime, we pray the blessing of the Lord over you all...

"May the Lord bless you and protect you. May the Lord smile on you and be gracious to you. May the Lord show you His favor and give you His peace." Numbers 6:24-26 NLT

Recap of ASK Midwest Zone Gathering

The Midwest Zone Gathering was held in Carpentersville, IL in February. The daylong event was hosted by the MW Zone leaders Mick and Gerri Winfrey, Sue Monson, Cheri Leach, Darlene Benton & Martie Edison. The participants received a visual illustration of ASK Network by Art Rader. Art used a stool to compare the legs with the three components of ASKing as Worship, Fasting, Biblical Meditation with Prayer. The day was broken into two sessions. The morning session scriptures for meditation were Isaiah 43:18-19 and Hebrews 12:1-3. In the afternoon the participants meditated on Matthew 25:1-13. Gerri Winfrey described the attendees that were introduced to Biblical Meditation as excited about what they had learned.
