

cultivate

"Cultivate" is a bimonthly electronic publication of ASK Network USA that informs and encourages ASKers in the work of praying for the church, community and all the nations. It seeks to cultivate a deeper relationship with God and with one another.

Reflections on Our Gathering

As we reflect on the many aspects of the ASK USA Gathering, Sept. 12-14, we find so many reasons to rejoice!!

We are overwhelmed by the countless ways in which the Lord met us and blessed us. Our hearts are filled to overflowing as once again He did more than we could ask or imagine. Times of worship brought our hearts to the throne of God; fasting prepared our hearts to receive the Word and then ASK of God; reports of what God is doing in the USA zones, Canada, the NA continent and nations of the world encouraged our hearts; relationships were renewed and/or begun; and we had a real sense of being re-grounded and re-established in the work of ASK Network, in anticipation of being re-commissioned and sent out. We press on to corporately lay hold of God's promise to "make a way in the wilderness and streams in the desert."

We understand that this work of God among us was a result of much prayer that was seeded in. Those who gathered in WI, were joined by many others who were not able to come, but who labored in prayer and stood with us in the Spirit. They share equally in all that was poured out. *1Sam 30:24 "The share of the men who stayed with the supplies is to be the same as that of those who went down to the battle. All will share alike."*

Thank you to all who gathered and/or partnered with us in this work! *Ps. 90:17 "May the favor of the Lord our God rest upon us; establish the work of our hands for - yes, establish the work of our hands."*

With full and grateful hearts,
Art and Roberta Rader

Using Social Media as a Tool for ASK

“Enlarge the place of your tent; Stretch out the curtains of your dwellings, spare not; Lengthen your cords And strengthen your pegs.” Isa 54:2 (NASB)

There are many ways and methods of sharing ASK, one of which is social media through the use of our Facebook page. Here you will find scriptures offering personal encouragement, or a prayer focus with scripture for meditation, or for worship. We offer new postings several times each week. If you have not seen them or are not familiar with using Facebook, simply go to the ASK Network USA Facebook page, and click all. There you will see the posts. You may then click on any one of them to like or share with friends; you may also click comment, where you can then write in your personal meditation and prayer agreeing with the scripture posted.

According to Wikipedia, as of December 2018 Facebook has 2.3 billion monthly active users which makes it both a simple and an excellent tool for us to share with others, and as we do, many more are reached with the vision of ASK, our family is enlarged, and our prayers to the throne are multiplied.

As the ASK Family Network our hearts are with Tryna Bahl, one of our faithful LYDIA/ASK leaders, whose dear husband Don, went to be with Jesus on September 16th. Please continue to pray for Tryna and her family as they walk through this season.

Recordings of Gathering Sessions

We are working to post recordings of the Gathering sessions on the ASK Network website in a downloadable format. While we will do this as quickly as possible we do ask for grace and patience. Please check the website www.asknetworkusa.net in the next week or so.

National Prayer Call

Thank you to all who filled out the NPC survey during the Gathering. In light of your responses, we anticipate making some changes as we move forward in 2020. Please stay posted.
