ASK NETWORK USA—SUMMER 2012

## RESPONSES TO THE NATIONAL ASK NETWORK GATHERING “COME”

Over a 100 people answered the call to “Come” to the National ASK Gathering in April. Here is what some of them had to say about it:

Come...Let us go up to the mountain...and that we did! What a blessing when so many in the Body of Christ come together in unity to seek His face and pray what is on His heart—Israel. It was so “awesome” to see the Spirit of the Lord speak through the Word and worship concerning Israel. It was a great joy for me to intercede with so many warriors! *Becky, GA*

One of the actions that was carried out at the conference had great significance. For the first time, it seemed that men were not there just to be with their wives but that they were truly invited to be a part of ASK. Using banners anointed for warfare, we marched around as a prophetic declaration. Men of three generations were called and welcomed. Then with the blowing of the shofar, prayers were made to call men to rise up and take their place as intercessors, enlisted into the Lord’s army, ready to battle for the nations and the children. *Bill, TN*

It was just wonderful connecting with all of the ladies at the conference. My only regret was that my husband and I weren’t able to stay for the whole weekend. It was truly awesome to be prayed over on Thursday night for my new leadership role as a State leader. And I was able to talk with several women who were a great help on what my new responsibilities would entail. Cheryl is doing a great job as our new National leader. *Bonnie, OH*

I came away from the conference with a fresh burden to pray. In the weeks following it, I really felt a new invitation to the call of prayer for my city and nation. Some of my highlights were the interactions with the staff of Lutheridge and the one worship time where it became a prayer for the lost. *Lisa, WA*

Every aspect of this ministry has blessed my life. I was blessed by the location, the warm greetings, the helpers, the fellowship, the attitude and maturity of the leaders, the freedom in worship, the prayers, and the presence of God throughout our time together. I sensed a steadfast unction to God. I was honored to have attended and I will return. *Ethel, LA*

Thank you, Cheryl Cannon, for your servant leadership and your sensitivity and obedience to the Lord. We love and appreciate you!

# Urban Hands 2012

*“Be strong and of good courage, do not fear nor be afraid of them; for the Lord your God, He is the One who goes with you. He will not leave you nor forsake you.” Deuteronomy 31:6*  
- 2012 theme verse

What is it? Urban Hands is a weeklong summer camp for teenagers from different neighborhoods, schools, and denominations. It is an opportunity for youth to worship and work alongside their peers. During the day they are sent out in teams to serve various marginalized communities in Washington DC. Service projects include helping at summer camps for at-risk children, volunteering at homeless shelters, gardening for elderly citizens or at community parks, and much more. These opportunities strengthen the youth that participate to commit their lives to walk humbly with God and compel them to greater services of love and justice. In the evenings the youth gather for worship and teaching.

This year ASK Network USA will be holding a one day conference at Urban Hands on Monday, **August 6th**. We will be teaching meditation and prayer walk principles out of Genesis 26. Please seek the Lord with us! This one day conference will lay the foundation of prayer for all that the youth do in their service to the Kingdom throughout the week. Please ASK on behalf of the next generation!

1. That the youth would grow in their understanding and practice of prayer.
2. That their ears would be tuned to hear the Holy Spirit through the Word of God.
3. That out of the mouths of babes the Kingdom would be proclaimed in prayer around Washington, DC.

Please also be in prayer for us as we continue to seek God’s direction and wisdom in planning and leading these sessions with the youth. Further ways to participate with us might be:

- fast as God leads
- assist financially
- join us on August 6<sup>th</sup> to help with small group leadership during the meditation and prayer walk sessions
- catch the vision, and the joy, of pouring love and nurture into the next generation
